

The Initial Consultation (IC): The IC is the time when the Attorney listens to your situation, determines if you are a good fit for the Firm and the Firm is a good fit for you, and tells you what possible solutions you may have and the payment options for the solutions. You will not receive a definitive legal opinion because it is typically impossible to fully understand each part of a matter in the brief time allotted for the consultation.

Note: The following questions will help the Firm understand the reason for your visit. Your responses are protected by attorney/client privilege and will be held in strict confidence. Please complete this form and bring it with you to the initial consultation.
